## LICENCE RENEWALS

Weapons Licensing Branch sends your Licence Renewal Notification to you about one to two months prior to your Licence expiring. This notification will have a Reference Code.

**AS SOON AS you receive this notification request (from the club) a declaration.**

The club must supply Weapons Licensing with a Declaration regarding your Membership status. **This Declaration has a 28 day expiry from date of signing.**

This means the club will need to know the date by which you will need to have the information back to Weapons Licensing. This enables the Declaration to be produced and supplied within a timeframe that does not expire prior to your lodgement of the renewal.

Please provide the club with the following information:

<b>Your Name.</b>	<b>Reference Code.</b>	<b>A date by which you need the Declaration (prior to licence expiry date)</b>

Your help with this information relating to these matters allows for the club to serve you more efficiently until we are based in our own facility.

Thank You.
